: Deputy Director (Support) 151 LKA

NOV 1 1957

SUBJECT

: Orientation for Senior Military Personnel
(Project USEFUL)

1. During the period 12 through 22 November 1957 we will again conduct the CIA Orientation known as Project USEFUL for senior military personnel selected by the Joint Chiefs of Staff. As in previous years, this course of instruction will provide for senior officers of the four Armed Services an orientation concerning the organization and mission of CIA, and the Agency's capabilities to support military operations in wartime.

2. I hope very much that you will be able to participate in the course, as you have on previous occasions. You are invited to appear at 12 noon on Friday, 22 November 1957, in Room 153 (auditorium) of Building [REDACTED]. This will be the concluding session of the course, and we will appreciate it if you will offer a few remarks and answer questions. This should require twenty to thirty minutes. A schedule of the course and a roster of students will be forwarded to you when the final roster is received from the Joint Chiefs of Staff.

3. I am attaching a copy of a memorandum to the Director in which he is invited to welcome the class at the opening meeting on 12 November. Should he be unable to do so, you may wish to change places with him on the program. However, I suggest that in view of [REDACTED] absence from this year's list of participants you should be the concluding speaker.
